

INSPIRING PEOPLE TO MOVE FORWARD

WAYPOINT

SINCE 1894

EVOLVING WITH THE COMMUNITY

Over the years, Waypoint has evolved to meet the ever-changing needs of the community. Today, Waypoint offers a variety of proactive services through a safety net of best practice, research-based approaches. Dedicated to aiding individuals impacted by homelessness, poverty, violence or needing access to quality child care, Waypoint (formerly the YWCA) has served as a vital community resource since 1894.

By offering a safe, welcoming space for those in crisis with compassionate staff, individuals who utilize our services are able to build a brighter future for themselves and their children.

Last fiscal year, Waypoint served 15,000+ individuals.
