

EVOLVING WITH THE COMMUNITY

Since 1894, Waypoint (formerly the YWCA) has evolved to meet the ever-changing needs of the community. Today, Waypoint offers a variety of proactive services through a safety net of best-practice, research-based approaches, dedicated to aiding individuals impacted by homelessness, housing instability, poverty, and violence, as well as those needing access to quality child care.

By offering a safe, welcoming space for those in crisis, along with compassionate staff, individuals who utilize our services are able to build a brighter future for themselves and their children. **Last fiscal year, Waypoint served 15,000+ individuals.**
